To get the best result, we recommend using Knit Pro needles, which is the professional tool for knitting and crocheting.

Back and front is knitted together on circular needles until the armholes.

Cast on 256(264)276(284)292(300) sts on circular needles US 2/UK 11 and knit around in stockinette. When you have knitted 10 rnds, knit 10 rnds in ribbing (alternately knit 1 and purl 1). Continue in stockinette on circular needles US 4/UK 10. When the work measures 40 cm, fasten off on the following rnd for armholes: fasten off 10 sts from the beginning of the rnd, knit 108(112)118(122)126(130) sts, fasten off the next 20 sts, knit 108(112)118(122)126(130) sts and fasten off the last 10 sts. Put the work aside.

Sleeves.

Cast on 52(54)56(58)60(62) sts on double pointed needles US 2/UK 11 and knit 10 rnds stockinette and 10 rnds ribbing (alternately knit 1 and purl 1). then continue i stockinette on double pointed needles US 4/UK 10, while increasing 1 sts on each side of the beginning of the rnd on every 6th rnd a total of 14 times, then on every 4th rnd 14 times = 108(110)112 (114)116(118) sts. When the sleeve measures 44(44)45(45)46(46) cm, fasten off 10 sts in the beginning of the rnd, knit 88(90)92(94)96(98) sts and fasten off the last 10 sts. Put the work aside and knit another sleeve matching.

Raglan yoke.

Put the parts on circular needles US 4/UK 10: 88(90)92(94)96 (98) sts on one sleeve, 108(112)118(122) 126(130) sts on the front, 88(90)92(94)96(98) sts on the other sleeve and 108(112)118(122)126(130) sts on the back = a total of 392(404)420(432)444(456) sts. Put a marker between the parts to mark the raglan hems. It is a good idea to make the mark between the back and the left sleeve be a different color = the beginning of the rnd. Knit around in stockinette, while decreasing for raglan like so: from the beginning og the round * knit 1, knit 2 together, knit until 3 sts before the next mark, knit

2 pulled over together (= slip 1 knit wise, knit 1, pull the slipped sts over), knit 1, move the mark to the right needle, repeat from * = 8 sts decreased on the rnd. Repeat these decreases on every other rnd a total of 31(32)33 (34)35(36) times = 144(148)156(160)164(168) sts. Break the yarn and move the sts on the left sleeve and the front to the right needle. But the yarn at the beginning of the right sleeve, and from here knit back and forth in stockinette. Fasten off in the beginning of the sleeve for 3 sts, knit the right side row (with raglan decreases like before between the right sleeve and the back, and the back and the left sleeve). Knit to the end of the left sleeve (no raglan decrease after the mark in the end of the left sleeve). Turn the work and fasten off the first 3 sts on the left sleeve, purl all sts the rest of the row. Continue like this, fastening off 3 sts on every other row over the sleeves and at the same time continuing the raglan decreases on the right side as described. When you have fastened off a total of 6 x 3 sts on each sleeve, there is 84(88)96(100)104(108) sts left on the row. Turtleneck: Change to circular needles US 2/UK 11 and knit a total off 126(130)134(138)142(146) sts up along the neckline and the top of the sleeves, while fastening off the edge sts between the pieces. Knit 10 rnds ribbing and then 10 rnds

stockinette for the turtleneck. Fasten off the sts properly loose.

Seaming.

Sew the sleeve hems and sew the raglan hems.
